

FEB 14 MBE Transfer

INSTRUCTIONS FOR TRANSFERRING A MULTISTATE BAR EXAMINATION (MBE) SCALED SCORE

1. An applicant may transfer a February 2014 MBE scaled score or a July 2013, February 2013, or July 2012, MBE scaled score to Connecticut if successful on each examination for which the score was originally achieved. **The election to use a prior score or to sit for the concurrent MBE must be made by February 13, 2014.** Thus, an applicant cannot elect to use a February 2014 MBE score in his/her bar application and then opt to use a prior MBE score after February 13, 2014. Also, to be acceptable, the score must have been taken as a part of a bona fide bar examination in the other jurisdiction. **Be sure you request the transfer of your MBE score not later than February 1, 2014.**

2. **If you are transferring a prior MBE score**, Form 46 certifying that you were successful on each examination for which the score was originally achieved must be completed by each applicable jurisdiction and submitted to the Connecticut Bar Examining Committee (CBEC). This is in addition to the transfer of your MBE score.

3. **You must be sure that the (CBEC) will receive your score and certification of success on each examination for which the score was originally achieved by March 31, 2014.** Article V-7 (B) makes this your responsibility and you should check with the transferring jurisdiction to ascertain their policies. You are advised to obtain a commitment that your score will be transferred by them in time to meet the CBEC's deadline. If the transferring jurisdiction will not transfer your score by March 31, 2014, then you will receive a "0" on the MBE and will fail the bar examination in Connecticut.

4. Please note that some jurisdictions will not permit the CBEC to release your MBE score to you and/or will not provide you with your MBE score. Without this information, the CBEC believes that an applicant cannot make an informed choice regarding transfer of his/her MBE score. Your election to transfer an MBE score without knowing that score is at your own risk.

5. Complete Question #12 on the application relating to transfer of MBE scores. There are several different forms/methods for transferring an MBE score to Connecticut. Please use the correct form/method as indicated below.
